CLEAR

STATE OF THE ART WATER MANAGEMENT

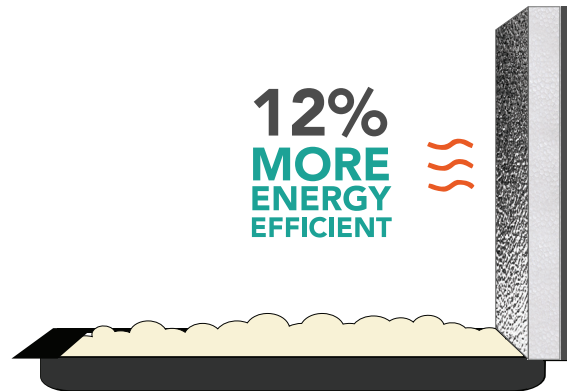

CLEAR is a state-of-the-art water management system that is a Clearwater exclusive. It combines four proven technologies to provide you the best fresh water experience. Natural and virtually chemical free water that just feels better.

Why is it better?

CLEAR allows you to soak in odorless, clear, natural water.

The Clearwater Difference

INNOVATIVE DESIGN AND TECHNOLOGY CHANGING THE SPA INDUSTRY

Ultra-Insulated Cabinet & Base

Extremely efficient Reflective Thermal Barrier Insulation reflects and recycles heat, keeping your water warmer while lowering your energy bill in comparison to foam-filled spas.

Superior Shell Construction

Our commercial-grade Triple Fusion Shell is thicker, allowing a deeper, stronger, smoother tub. Steel support mesh and environmentally-friendly EcoSpray resin (not toxic fiberglass) makes the Clearwater Spas shell one of the strongest you can buy.

100%
RECYCLED

WATERTIGHT
SEAL

Eco-Foundation

Weather-resistant, fully insulated base provides the foundation to lift the spa off of the cold ground for energy efficiency while protecting the spa from moisture, bugs, mice and other unwanted pests.

10,000
POUNDS
SUPPORT

20
YEAR
WARRANTY

FRAME
FREE
SYSTEM

HD Foam PVC Column Supports

Custom PVC, high-density foam-filled system will not rot, mold, rust or breakdown like wood or steel support systems. Pillars integrate seamlessly into the foundation and the shell for unmatched strength, making this the only frame-free support system in the world.

INTELLIGENT DESIGN

1. Soothing Water Features
2. Best Ergonomic Seating
- 3 Adjustable Hydrotherapy Jets
4. Intelligent Controls
5. LED Coasters
6. Impact Resistant Cabinet
7. Integrated Headrests
8. Dual Guard Filtration
9. Feature Controls
